CO-ORDINATED ADMISSION  
ARRANGEMENTS**

# Introduction

The aim of the North Yorkshire Coordinated Primary and Secondary School Admissions Scheme is to provide an open and fair way for considering parental preferences for admission to schools. Our scheme complies with current legislation relating to school admissions and with advice contained in the Department for Education 2014 School Admissions Code.

The scheme is reviewed annually and is designed to ensure that every child living in North Yorkshire, who is due to start at a North Yorkshire primary school, or transfer to junior or secondary school is offered a single school place on the same day. It aims to ensure that each parental preference is considered equally and parents receive a school place in accordance with their highest ranked preference which is available. This scheme applies to admissions in the normal round but not those that take place in-year. In-year admissions are those made during the school year and applications for admission to age groups other than the normal year of entry.

North Yorkshire Local Authority will work with Community, Voluntary Controlled, Voluntary Aided, Foundation, Trust primary and secondary schools and Academies within North Yorkshire, to ensure the co-ordinated scheme operates as smoothly as possible for parents and we will work closely with our thirteen neighbouring authorities to ensure admission arrangements are co-ordinated. Our 13 neighbouring admission authorities, Voluntary Aided, Foundation, Trust schools and Academies are listed at Appendix 3 and Appendix 4.

After consideration of all parental preferences for all schools with reference to the order in which these are ranked, the Local Authority will notify parents living within North Yorkshire of the offer of one school place on behalf of all admission authorities operating within the co-ordinated admissions scheme.

The detailed arrangements and timetable for co-ordinating school admission with the separate arrangements for secondary and primary schools can be found at Appendices 1 and 2.

Arrangements for In Year admissions can be found at page 21 of this co-ordination document. This document is also available on our website at [www.northyorks.gov.uk/admissions](http://www.northyorks.gov.uk/admissions)

The website includes information about:

- The operation of our admissions schemes for all North Yorkshire Community and Voluntary Controlled schools;
- The timescales and timetable for each admission process;
- The number of allocations made at each school in the previous school year;
- The number of schools that were oversubscribed resulting in parental appeals and the numbers and outcome of these appeals. This information about allocations and appeals should help parents to assess realistically their likelihood of obtaining a place at their preferred schools.

## Co-ordination

1. The scheme does not affect the duty of the governing bodies of Academies, Voluntary Aided, Foundation and Trust schools to determine their own admissions policies.
2. We will receive information of children expressing preferences for our Community, Voluntary Controlled, Voluntary Aided, Foundation and Trust Schools and Academies from neighbouring Local Authorities, which we will process as part of our co-ordinated arrangements along with those for North Yorkshire children.
3. Parents requesting literature on Voluntary Aided, Foundation, Trust schools or Academies or non-North Yorkshire schools will be referred to the appropriate school or admissions authority. Where non-North Yorkshire parents complete our form in error we will forward it to their home authority.
4. We will receive complete ranked lists of all preferences from North Yorkshire Voluntary Aided, Foundation, Trust schools and Academies as well as lists from neighbouring Local Authorities of children to whom they can offer places. We will produce lists of children to whom we can offer places at our Community and Voluntary Controlled Schools. We will inform our neighbouring Local Authorities which of their children can and cannot be offered places at any of our schools.
5. Having received information from other admissions authorities we will allocate places to children living in our area according to the highest ranked preference for which a place is available.
6. Where we cannot meet any of the parental preferences expressed for a North Yorkshire child we will allocate a place at an alternative school with places available after all those preferencing the school have first been allocated a place. This may or may not be the local school and may be some distance from their home.
7. Supplementary Information Forms may need to be completed by parents applying for Voluntary Aided primary or secondary schools.

# Admissions Co-ordination 2016

## **Secondary**

North Yorkshire's co-ordinated admissions scheme applies to 5 Voluntary Aided Secondary Schools, 25 Community Secondary schools, 11 Academies and 1 Trust Secondary School.

## **Primary**

1 Foundation Primary, 13 Academy, 44 Voluntary Aided Primary Schools and 255 Voluntary Controlled and Community Primary Schools.

We co-ordinate with 4 Diocesan Authorities and 13 Neighbouring Authorities.

On line applications for school places can be made by logging on to our website at [www.northyorks.gov.uk/primaryadmissions](http://www.northyorks.gov.uk/primaryadmissions) or [www.northyorks.gov.uk/secondaryadmissions](http://www.northyorks.gov.uk/secondaryadmissions).

## Applying for a Primary, Infant, Junior or Secondary School Place

8. Parents can list up to 5 schools in order of preference. Parents should consider including their local school as one of their preferences because if we are unable to meet a higher preference and their normal area school is oversubscribed, we will give children a place at the nearest school with places available which may be some distance from their home.
9. If parents name a school other than their normal area school, they will normally be responsible for transport.

## Late Applications

10. Any Common Application Form for school places received after the closing date of 31 October 2016 for secondary schools and 15 January 2017 for primary schools will be considered as a late application unless a reason has been provided that is acceptable to us as the admission authority. Late applications whose reasons have been agreed will be considered along with applications received on time.
11. Applications received after 1 March 2017 for secondary schools or 18 April 2017 for primary schools will be co-ordinated using the same arrangements and criteria as previous applications. The offer of a school place will be made in accordance with our agreed and published scheme. However applications received after the first day of the school year will be considered as in-year applications.

12. No changes can be made to applications for secondary schools after the 27 January 2017 and to primary applications after 10 March 2017. This includes any changes of address. Any applications received after these dates will only be processed after the allocations dates i.e. 1 March 2017 for secondary applications and the 18 April 2017 for primary applications.

## The Offer of a Place

13. No places will be held in reserve for any school.
14. We will contact all parents of North Yorkshire children on 1 March 2017 for Secondary Schools and on the 18 April 2017 for Primary, Infant and Junior Schools, notifying them of the single school place allocated to their child or children.
15. The place offered could be at one of our Community or Voluntary Controlled schools, Voluntary Aided, Foundation, Trust schools or Academies within North Yorkshire or a school in an area served by another Local Authority.

## Appeals

16. Where we have been unable to offer a school place listed as a higher preference, parents will be offered the statutory right of appeal against the decision.
17. In such circumstances the offer letter will give the reasons why we have been unable to allocate their other stated preferences. Where the statutory right of appeal is the responsibility of North Yorkshire Local Authority (LA) we will inform the parents where the appeal forms can be located on the NYCC website.
18. Where the responsibility is that of another admissions authority, we will advise parents to contact them to confirm appeal arrangements.
19. Where the LA have multiple appeals for one school these will be grouped appeals unless the authority decides that this would not be appropriate.
20. Parents who have been refused a place at a North Yorkshire school by their home authority will be informed that they should contact us to discuss the appeals process.
21. The outcome of successful admission appeals will lead to further modifications to the original allocation. These changes must again be communicated to other admission authorities (and theirs to us) to enable all authorities to make final adjustments to the allocation.
22. Once appeals have been completed we will communicate with all the schools within our boundary to ensure that they have a correct and up-to-date allocation list.

## Waiting Lists

23. A waiting list will be maintained for all oversubscribed Community, Voluntary Controlled, Voluntary Aided, Foundation, Trust Schools and Academies until 31 December 2017. Each child added will require the list to be ranked again in line with the published oversubscription criteria
24. The Local Authority requires the governing body of each, Voluntary Aided, Foundation, Trust School and Academy to update us when places become available unless the Local Authority are maintaining the schools waiting list on their behalf. The co-ordination regulations require that any offer of a school place must always be made by the Local Authority.
25. Where places become available they will be allocated from the waiting list in accordance with the published oversubscription criteria.
26. Where we are able to offer a place to a non-North Yorkshire child from the waiting list we will liaise with their home authority.

## Secondary Transfer Scheme 2017/18

27. The secondary scheme enables parents living within North Yorkshire whose children are transferring to secondary school to complete a single application either on-line or in paper form.
28. The parents of Year 5 children who will be Year 7 in September 2017 will be informed by letter via their child's primary school that they will need to apply on line for a school place. They can express up to 5 preferences for admission to any Community, Voluntary Controlled, Voluntary Aided, Foundation, Trust schools and Academies both within North Yorkshire and neighbouring Local Authority area, giving reasons for their preferences where appropriate.
29. Parents without internet access will be informed that they will need to contact the admissions team for a paper copy of the common application form to enable them to apply for a school place for their child.
30. Parents will be informed that supplementary information may also be requested by Voluntary Aided or non-North Yorkshire schools, in order for the school to apply their oversubscription criteria.
31. Common application forms will be required for all transfers at Year 7 as well as transfers to schools who admit children in Year 10.
32. Parents must return their applications by the closing date of 31 October 2016. Every effort is made by the admissions team to ensure that applications are received by the closing date.

33. Parents will not be allowed to change their preferences after 31 October 2016 without a reason that is acceptable to us as the admissions authority. Learning that the child is suitable or not suitable for a selective school will not be considered as an acceptable reason for a change of preference.
34. Parents who wish their children to attend independent schools will be encouraged to tell us. However independent schools are not included in the co-ordinated arrangements. These parents may also wish to apply for a place at a North Yorkshire school.
35. If parents living outside of North Yorkshire enquire about our schools they will be directed to the North Yorkshire County Council website. Parents will be advised to complete a common application form for their home authority.
36. On the common application form parents will need to provide their child's name and residential address. The address provided must be where the child lives permanently. If residency is split, the address provided should be the place where the child lives for the majority of the time. If residency is split equally between two parents, they can nominate the address they wish to use for the allocation of a school place. Confirmation and agreement in writing by both parents will be required.
38. The offer of a single school place will be made on 1 March 2017 and allocation e mails will be sent on that date. For those who have completed a paper application or requested a letter, letters will be sent on that date by second class post.
39. We will offer a place at a North Yorkshire school even if parents have not completed a common application form because we have a duty to ensure a school place is available for every North Yorkshire child.
40. Parents who do not wish to accept a place at a school offered to them must notify the admission authority as soon as possible advising the LA of the alternative provision that is being made. Without this information the place will remain allocated.
41. The timetable for secondary school admissions is attached as Appendix 1 of the Co-ordinated Admissions Arrangements, Secondary Transfer 2017/18.

## Selection

42. There are 3 selective grammar schools within North Yorkshire; one of which is a Voluntary Aided boys' school, one a mixed co-educational school and one a girls' school which has Academy Trust status. In addition there are 3 non selective schools in the selective areas of the County.
43. If a child is entered for selection testing, parents must make sure that they name the selective school they would like them to go to on the common application form.

## **Skipton Selection**

44. Places will normally be provided at Ermysted's Grammar School for boys who are deemed suitable for a grammar school education in accordance with the Local Authority's selection scheme and who live in the area served by the primary schools in Beamsley, Bradley, Burnsall, Carleton, Cracoe, Embsay, Gargrave, Grassington, Kettlewell, Kirkby-in-Malhamdale, Skipton, Thornton-in-Craven and Threshfield. Ermysted's Grammar School is a selective grammar school that offers education to boys aged 11 to 18. . Children can only be admitted to Ermysted's Grammar School if they have been deemed suitable for a grammar school education. The local authority administers the published selection scheme for boys in the Skipton area.
45. All boys living and attending schools within the area served by the Ermysted's Grammar School will be invited to sit the selection tests. Parents will be required to return a reply slip confirming their attendance or not.
46. The governing bodies of Ermysted's Grammar School (Voluntary Aided) and Skipton Girls' High School (Academy Trust) are responsible for applying their own admissions policies and the Local Authority applies its published co-ordinated admissions arrangements on behalf of these schools.
47. Skipton Girl's High School is a selective grammar school that offers education to girls aged 11 to 18 who are deemed suitable for a grammar school education in accordance with their selection scheme.
48. The Skipton Academy is a non-selective Academy and Upper Wharfedale School is a non-selective secondary school in a selective area offering education for children aged 11 to 16.

## **Ripon Selection**

49. Places will normally be provided at Outwood Academy Ripon and Ripon Grammar School for children who live in the City of Ripon together with the parishes of Aldfield, Azerley, Bishop Monkton, Bridge Hewick, Burton Leonard, Copt Hewick, Eavestone, Givendale, Grantley, Grewelthorpe, Hutton Conyers, Kirkby Malzeard, Laverton, Lindrick, with Studley Royal and Fountains, Littlethorpe, Markenfield Hall, Markington-with-Wallerthwaite, Newby-with-Mulwith, North Stainley with Sleningfird, Sawley, Sharow, Skelding, Skelton, Studley Roger and Winksley.
50. Outwood Academy Ripon is a non- selective Academy in a selective area offering education for children aged 11 to 18. Ripon Grammar School is a selective grammar school that offers an education for children aged 11 to 18. Children can only be admitted to Ripon Grammar School if they have been deemed suitable for a grammar school education, in accordance with the local authority selection scheme. The local authority administers both the published selection scheme and the allocation of school places at Ripon Grammar School as it is a Community School. The Local Authority will apply its published co-ordinated admission arrangements on behalf of both Outwood Academy Ripon and Ripon Grammar School.
51. All children living and attending schools within the area served by the Ripon schools will be invited to sit the selection tests. Parents will be required to return a reply slip confirming if their child will be attending or not.

## **Selection tests**

52. Tests for all forms of selection must be clear and objective and give an accurate reflection of the child's ability or aptitude, irrespective of sex, race or disability. It is for the admission authority to decide the content of the test, providing that the test is a true test of aptitude or ability.
53. The results of these selection tests are used to identify the highest scoring 28% or as close as possible of Year 6 children who live in the Ripon selective area and the highest scoring 28% or as close as possible of Year 6 boys who live in the Skipton selective area. This procedure sets the cut-off mark in each selective area and sets the standard which children in Ripon and boys in Skipton must reach, to be deemed suitable for grammar school education in their local selective area.
54. For us to consider children who live outside the selective area to be deemed suitable for a grammar school education at Ripon Grammar School or Ermysted's Grammar School, they must reach the cut-off mark which is set by the performance of the children who live in the selective area, as explained above.
55. There is no guarantee that children who reach the cut off mark in the selection tests will be allocated a place at a Grammar School. If the school is oversubscribed with children who are deemed suitable for a Grammar School education, places will be allocated using the published oversubscription criteria.
56. The Local Authority ensures that parents are aware that meeting the academic requirements for entry to Ripon Grammar School and Ermysted's Grammar School is not, in itself, a guarantee of a Grammar School place.
57. If a child is refused a place at the school on 1 March 2017, which is the national offer date, parents will be offered their statutory right of appeal for a place at the school.
58. The School Admissions Code 2014 states that local authorities should take all reasonable steps to inform parents of the outcome of selection tests before the closing date for secondary applications on 31<sup>st</sup> October so as to allow parents time to make an informed choice of school.
59. The Local Authority must ensure that tests are accessible to children with special educational needs and disabilities, having regard to the reasonable adjustments for pupils with a disability required under equalities legislation.

## **Selection Testing 2017/18**

60. Selection testing will take place during September 2016 and the results of selection testing will be sent out to parents on 14 October 2016.

## Primary Transfer Scheme 2017/18

61. The primary scheme enables parents living within North Yorkshire to complete a single application either on-line or in paper form listing up to five preferences for admission to any primary, infant or junior schools both within North Yorkshire and neighbouring Local Authority areas, giving reasons for their preferences where appropriate.
62. Parents without internet access will be able to contact the Local Authority for a common application form to enable them to apply for a primary school place for their child.
63. If parents list a Voluntary Aided school as a preference the school may request supplementary information in order for them to apply their oversubscription criteria.
64. Parents must complete the common application forms by the deadline of 15 January 2017. Every effort is made by the admissions team to ensure that applications are received by the closing date.
65. Parents will not be allowed to change their preferences after 15 January 2017 without a reason that is acceptable to us as the admissions authority.
66. Parents who wish their children to attend an independent school will be encouraged to tell us. However independent schools are not included in the co-ordinated arrangements. These parents may also wish to apply for a place at a North Yorkshire school.
67. If parents living outside of North Yorkshire enquire about our schools they will be directed to the North Yorkshire County Council website. Parents will be advised to complete a common application form for their home authority.
68. On the common application form parents will need to provide their child's name and residential address. The address provided must be where the child lives permanently. If residency is split between two parents, the address used must be the address where the child lives for the majority of the time. If residency is split equally between two parents, they can nominate the address they wish to use for the allocation of a school place.
69. For primary school applications, all offers must be made on the 17 April 2017.
70. Parents who do not wish to accept a place at a school offered to them must notify the admission authority as soon as possible advising the LA of the alternative provision that is being made. Without this information the place will remain allocated.
71. Appeals will usually be heard for first admission to schools in June and July of 2017.

# CO-ORDINATED ADMISSION ARRANGEMENTS

## PRIMARY & SECONDARY IN-YEAR ADMISSIONS 2017/18

## Introduction

1. In-year admissions are those which occur outside of the normal admissions round. The normal admissions round refers to admissions which admit children into infant, junior, primary, middle or secondary school in the first year of entry. These applications become in-year if they are submitted on or after the first day of the first school term of the admission year.
2. There is no requirement for Local Authorities to co-ordinate in-year applications from the offer year 2014/15 and all subsequent years but they must provide information on their website to show how in-year applications can be made and will be dealt with. Local Authorities must, on request, provide information to a parent about the places available in all schools within its area. A preference form should be completed by parents when applying for a school place for their child at any Community or Voluntary Controlled school within North Yorkshire. A preference form will also need to be completed for any Voluntary Aided, Foundation, Trust primary and secondary schools and Academies that have agreed North Yorkshire Local Authority will continue co-ordinating in-year admissions on their behalf. Any parent can apply for a place for their child at any time to any school.
3. In determining applications for school places outside the normal admissions round, whether in-year or at the start of a school year which is not a normal point of entry to the school, admission authorities must comply with parental preference unless the published oversubscription criteria or one of the statutory reasons for refusing admission applies.
4. All applications outside of the normal admissions round for Community, Voluntary Controlled and any Voluntary Aided, Foundation, Trust, primary and secondary schools and Academies that have agreed to continue co-ordinating with North Yorkshire Local Authority will be processed and if applicable offered by the Local Authority. Schools that are their own admission authority and are not continuing to co-ordinate in-year admissions with North Yorkshire Local Authority must communicate the availability of places to the Local Authority when requested and must, when in receipt of an in-year application notify the Local Authority of both the application and its outcome. The Admission Authority must also inform parents of their right to appeal against the refusal of a school place.
5. The in-year co-ordinated scheme does not apply to a looked after child, a previously looked after child or a child with a statement of Special Educational Needs naming the school in question, as these children must be admitted.
6. Each Local Authority must have a Fair Access Protocol, agreed with the majority of schools in its area to ensure that, outside the normal admissions round, unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. There is no duty for Local Authorities or admission authorities to comply with parental preference when allocating places through the Fair Access Protocol.
7. Parents who do not wish to accept a place at a school offered to them must notify the admission authority within 2 weeks of the offer being made.

## Applying for a school place

8. North Yorkshire Local Authority in-year preference forms should be completed by parents living or moving into North Yorkshire requesting a place at any North Yorkshire primary or secondary school. Proof of residency may be required.
9. If a child already attending a North Yorkshire school wishes to transfer to another school, parents should, in the first instance discuss the transfer with the current school that the child attends.
10. Where a child is moving within or into North Yorkshire and is unable to attend the previous school and is without a school place, the application will be processed as soon as possible. Where a child already has a school place but is seeking an alternative school without moving, the application will be processed within a timescale that will enable the child to commence at the proposed new school at the start of the next term or half term. If there are more applications than places available for that year group, the oversubscription criteria will be applied.
11. Where UK passport holders or EU passport holders apply for a school place whilst living abroad, the application will be processed whilst they are still abroad up to 6 weeks in advance of the requested start date. For non EU residents applications will be processed on their arrival in the UK. Exceptions to this would be when an application is received from a forces family which is accompanied by a posting order/assignment order or an official letter that declares a relocation date and a unit postal address or an area address. We would accept a UK address from parents living abroad if they have an address in the UK and they can provide proof that they lived at that address immediately prior to their move abroad and will be returning to that same property.
12. When we receive an in-year preference form from a parent living in North Yorkshire requesting any North Yorkshire school, we will process the form by attempting to comply with the parent's highest ranked preference of school. We will liaise with the school listed as their highest preference.
13. If we are able to allocate the highest ranked preference on the form we will send an offer of that school place to the parent. If we are unable to allocate a place we will offer the statutory right of appeal and will then consider other schools listed in order of preference and will offer a place at one of those schools if possible. If we are unable to do so we will again offer parents the statutory right of appeal or ask that the governors of Voluntary Aided, Foundation or Trust schools who have agreed for North Yorkshire Local Authority to co-ordinate in-year admissions do so. Parents can appeal for a place at an Academy and would need to contact the Local Authority for information on how to do so.
14. When we receive a request for a place in the normal year of entry if the school is oversubscribed a waiting list will be maintained by the relevant admission authority until 31 December 2016.
15. We require a reply within 5 working days from schools informing us if they are able to accommodate additional children. If they are oversubscribed we will offer parents the statutory right of appeal.
16. Voluntary Aided schools may require parents to complete a supplementary information form available from the school before a school place can be considered.
17. If parents name a school other than their normal area school, they will normally be responsible for transport.
